On publishing the Toyota Boshoku Report

Toyota Boshoku publishes an integrated report every year to provide our stakeholders with a better understanding of the group's initiatives to enhance its corporate value.

In addition to the value creation process, this fiscal year's report introduces specific initiatives aimed at the sustainable growth of our group, focusing on the newly formulated 2030 target and 2030 Mid-term Business Plan.

We hope you can gain an understanding of our activities as we transform ourselves and strive to become a company that wins your support and empathy, and to this end, we value the opinions of all our stakeholders. We encourage you to provide us with your honest feedback.

Lastly, we hereby state that this report has been prepared in good faith with the involvement of management and in cooperation with the relevant divisions, and that the information contained herein is accurate.

Hiroyuki Oi  
Chief Strategy Officer,  
Corporate Planning  
Segment

Scope of reporting

Cautionary statement with respect to forward-looking statements

This report contains forecasts and expectations that relate to future plans and strategies in addition to the expected financial results of Toyota Boshoku Corporation and the Toyota Boshoku group. These statements are not based on actual results from the past. Rather, they are estimates based on assumptions and opinions that have been formed by the Company from the information available at the time of writing. They also involve risks and uncertainties relating to economic trends, the severe competition affecting the automobile industry and changes in global demand, taxation regulations, laws, systems, natural disasters, and other matters. Accordingly, actual results may differ from the Company's forecasts.

Numerical values of financial results

The numerical values of financial results have been rounded off in this report.

Positioning of the Toyota Boshoku Report

This report has been compiled in a comprehensive manner as an "integrated report" that presents not only financial information, but also "non-financial" information, the unseen value that is the source of value creation, in order to provide a deep understanding of the Toyota Boshoku group's potential and the process of enhancing corporate value over the medium to long term.
