

Toyota Boshoku Provides Aid to Central Java Island for Earthquake Relief

Toyota Boshoku Corporation (Headquarters: Kariya-city, Aichi, Japan President: Masanao Motonami) offers its most-sincere sympathy to those affected by the earthquake that struck Central Java Island in Indonesia.

To help ease the situation and contribute to the recovery effort, Toyota Boshoku decided to provide, through the Japanese Red Cross Society, 5 million yen in relief funds. Also will implement fund raise from employees.

Additionally, P.T. ABADI BARINDO AUTOTECH (ABA), one of the local corporations of Toyota Boshoku Group, decided to provide 105 million rupiah (approximately 1.2 million yen) in relief funds. Also will implement fund raise from employees.
