

## Toyota Boshoku Publishes the Toyota Boshoku Report 2020

**Kariya (JAPAN) November 6, 2020** – Toyota Boshoku Corporation has published the “Toyota Boshoku Report 2020”. This report introduces various activities carried out by the Toyota Boshoku group in fiscal year 2019, and highlights its initiatives for enhancing corporate value from business, governance, social and environmental aspects.

The Toyota Boshoku group is paving the way to our 2020 business plan goal. The entire group has been working in taking up challenges in pursuit of this Vision. In this report, we introduce the materiality defined for integrating the Creating Shared Value (CSV) concept into our management, as well as outlining our passion for being an ideal interior space creator. The Toyota Boshoku group is engaged in the identification and resolution of important social issues that are prioritized in our core business among various social issues.
