

## **Toyota Boshoku aircraft seat has been approved as “Boeing Offerable Product” for Economy Class of Boeing 787 Dreamliner**

**Kariya (JAPAN) – November 24, 2021** – Toyota Boshoku aircraft seat (T1 series) was approved by Boeing as Offerable Product for the Boeing 787 family in August 2021.

Applying knowledge of seating comfort expertise and high-quality craftsmanship refined through the development of automobile seats, Toyota Boshoku has developed high quality aircraft seats. These efforts were recognized and reached this achievement.

As a result of this achievement, T1 series is available for airline customers to select for installation on Boeing 787s.

Going forward, Toyota Boshoku aims to further expand aircraft seat business with providing valuable products and services to the customers.
