

## Toyota Boshoku France S.A.S. has been authorized as an “LPO sanctuary”

Toyota Boshoku France S.A.S. (TBF) has been authorized as an “LPO sanctuary” by LPO; an organization to protect endangered wild fauna in France. “LPO sanctuary” program started in 1921 is an agreement to connect conservation areas as an ecosystem network. They have authorized 40,000 private individuals, local communities and establishment, companies with their standards, of which only 250 are certified companies. TBF has actively worked on tree planting as an activity for “factory that coexists with nature” since 2021.
