

Toyota Boshoku aircraft seat has been approved as “Boeing Offerable Product” for Economy Class of Boeing 737 MAX Family

Kariya (JAPAN) –April 12, 2023 – Toyota Boshoku aircraft seat was approved by Boeing as Offerable Product for the Boeing 737 MAX family in March 2023.

As a result of this achievement, this series is available for airline customers to select for installation on Boeing 737s.

This is the second Boeing Offerable Product following Boeing787 Dreamliner.

Going forward, Toyota Boshoku aims to further expand aircraft seat business with providing valuable products and services to the customers.
