

Toyota Boshoku is selected as a constituent of the FTSE4Good Index Series for the second consecutive year

Kariya (Japan) July 10, 2025 - Toyota Boshoku is selected as a constituent of the FTSE4Good Index Series*¹, a global equity index for ESG investment by FTSE Russell, a member of the London Stock Exchange Group, and the FTSE Blossom Japan Index*² which targets Japanese companies for two consecutive years, and the FTSE Blossom Japan Sector Relative Index*³ for three consecutive years.

The FTSE4Good Index Series selects companies that practice excellent ESG (Environmental, Social and Governance) measures and is widely used to create and evaluate sustainable investment funds and other financial products. The FTSE Blossom Japan Index and the FTSE Blossom Japan Sector Relative Index are indices for Japanese domestic stocks and are used by Government Pension Investment Fund (GPIF), one of the world's largest public pension funds.

Going forward, we will continue to further strengthen our ESG initiatives and actively disseminate information.
