

## Toyota Boshoku Receives Highest Rating in CDP's Supplier Engagement Assessment

Toyota Boshoku Corporation has been selected for the highest rating, "Leadership Board (A rating) \*2," in the Supplier Engagement Assessment conducted by CDP\*1. This is the third time that Toyota Boshoku has been selected for the Leadership Board, following CDP 2022. We believe this evaluation highly appreciates our proactive efforts in "Supplier Engagement."

### Key Evaluation Points:

Conducting assessments using self-check sheets regarding the environment, including climate change countermeasures, and promoting climate change initiatives in collaboration with our suppliers.

Promoting the understanding and reduction of Scope 3 emissions and disclosing data verified by third parties.

Toyota Boshoku Group will work together with all stakeholders with the aim of creating a sustainable global environment where children can lead their lives with smiles. We will continue to work on reducing environmental impact and conserving biodiversity through environmentally conscious development, design, products, production, and logistics.

\*1: CDP is an NPO established in the UK in 2000 and is one of the most trusted evaluation organizations by investors. In 2024, more than 24,800 companies worldwide (including over 2,100 Japanese companies, which account for more than 70% of the companies listed on the Prime Market) responded to the survey.

\*2: The highest rating among the eight levels from A to D-.
